

**City of Greensburg Comprehensive Plan
Steering Committee List
Adopted: March 24th, 2021
Project Website**

Member List

The steering committee will work in collaboration with the American Structurepoint team to guide the process and ultimately decide the direction of the final plan. Members were selected by Greensburg City staff based on their roles in the community and the perspective they brought regarding its future. Members will meet five (5) times over the course of the project, and will review all project materials before they are released to the general public.
